

# HASANZ is proud to announce its 2022 Scholarship Recipients

## Winners in the General Category

### **Bryony Chester**

#### **NEBOSH International Diploma in Occupational Health and Safety**

I am so grateful to receive this scholarship which will allow me to complete a course of study that I would not have been able to complete otherwise. Being selected by HASANZ for this opportunity from so many applicants is very humbling.

### **Mitchell Horan**

#### **Postgraduate Diploma in Health Science (Occupational Health and Safety)**

This scholarship validates my belief that I can add value to businesses by improving their understanding of hazards and risks in the workplace to keep people free from adverse health and safety outcomes.

### **Sharon Butt**

#### **NZ Diploma in Workplace Health and Safety Management**

Receiving the scholarship is an investment in my future, allowing me to continually grow my passion, achieve my commitment to share my learnings and experience with others, grow my networks and contribute to the dimensions of good Hauora (wellbeing) in Industry and Community.

### **Stella McCallum**

#### **Master of Occupational Health and Safety**

Receiving this scholarship will allow me to continue my professional development and complete the Master of Occupational Health and Safety qualification. I hope that my research will broaden my understanding of how health and safety professionals can assist NZ workplaces to achieve healthier and safer outcomes for their workers.

# HASANZ 2022 Scholarship Recipients

## Winners in the Occupational Hygiene Category

**Cameron Keer-Keer**

**International Certificate in Occupational Hygiene**

The training provided by this scholarship will further develop my knowledge and understanding in the field of occupational hygiene, so I can support and mentor others to provide safe and healthy work environments.

**Darshana Darshika**

**International Certificate in Occupational Hygiene**

This scholarship is a steppingstone in my journey to help inform and keep workers in New Zealand safe. As Buddha said, "health is the greatest gift" – thus the scholarship will equip me with the knowledge and skills needed to contribute towards that gift.

**Jodie Daines**

**W500 series through OHTA and NZOHS**

Receiving this scholarship is extremely important to me as it enables me to build my knowledge base, benefiting not only myself, but all those I encounter in my field of work, working to keep New Zealanders safe.

**Juliette Lyons**

**OHTA Courses**

Receiving this scholarship will allow me to take several NZOHS training courses which will help me work towards becoming a qualified Occupational Hygiene Technician. These courses will provide me the opportunity to improve my skills and knowledge within the industry.

**Sage Robinson**

**Master of Occupational Hygiene and Toxicology**

I intend to use this qualification to improve my knowledge and skills in Occupational Hygiene and become a Certified Occupational Hygienist. These skills will allow me to make an even bigger difference to workers lives.

**Trudy Geoghegan**

**International Certificate in Occupational Hygiene: NZOHS/IOTA**

I am excited about this opportunity to further my knowledge and skills in Occupational Hygiene, so I can better understand and minimise the occupational exposures of our firefighters and other emergency workers.

# HASANZ 2022 Scholarship Recipients

## Winners in the Human Factors/Ergonomics (HFE) Category

**Jason Johnstone**

**Postgraduate Diploma in Ergonomics and Human Factors**

Studying human factors and ergonomics will allow me to help design safer working environments and protect the workforce from harm.

**Linda Buys**

**Postgraduate Diploma in Human Factors and Ergonomics**

The scholarship will enable me to complete the Postgraduate Diploma in Human Factors and Ergonomics at AUT. The studies will assist me in conducting ergonomic trials for CHASNZ which aim to reduce musculoskeletal disease in scaffolders.

**Shirani Wildbore**

**Bachelor of Health Science (Occupational Health and Safety) in conjunction with a Diploma in Science and Technology**

This scholarship will enable me to further my skills and gain experience so that I can make a valuable and unique contribution to the health and safety industry, and a positive difference to the workforce.

## Winner in the Women in Safety (WISE) Category

**Candis Hawkins**

**Women in Leadership, Executive Ready Program**

Receiving this HASANZ Scholarship has opened up avenues to connect to other leaders in health and safety and receive mentorship. Being a scholarship recipient has also provided me a pathway to explore applying leadership skills in a governance capacity.

## Winner in the Poutama Category

**Stacey Victor Moses**

**Incident Cause Analysis Method (ICAM) - Impac**

I am deeply humbled and extremely grateful to receive this HASANZ Scholarship. My passion and aspiration is to be a health and safety professional by following this educational pathway.

# HASANZ 2022 Scholarship Recipients

## Winners in the Postgraduate Category

**Hannah Young**

**Postgraduate Diploma in Health Sciences (Occupational Health)**

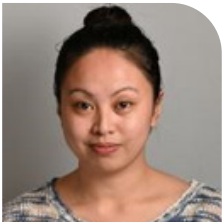

The HASANZ Scholarship will give me to opportunity to explore the development of health and safety strategy further which will enable me to better serve the boards of New Zealand businesses in the future.

**Shane Meys**

**Master of Health Science – Human Factors and Ergonomics**

I am hugely grateful for the support towards my ongoing learning and development. To enhance my ability to effectively support workers and workplaces within New Zealand to not only provide safe environments but also optimise wellbeing.

**Shayra Bawayan**

**Postgraduate Diploma in Nursing (Occupational Health)**

The scholarship will help me continue the education pathway that I have started. As a registered nurse working in Occupational H&S, it is important for me to complete my Postgraduate studies to further expand my understanding in this field.

## Mentorship Winner in the Applied Research Category

**Rebecca Webster**

**Masters of Ergonomics, Safety and Health**

I'm grateful to receive a mentorship to support my personal and professional development. I'm hoping that it will help with growing my professional network, learning from someone with great experience and help me set future goals.

**HASANZ would like to thank all scholarship sponsors and panel members.**

**Your contribution to this programme is invaluable.**
