OUR COMMITMENT TO SUSTAINABILITY

The Current Chemical Regulatory Environment

Finding Accurate Compliance Advice

- **Industry associations?**
- **Government agencies?**
- **Online generic information?**
- **Certifiers?**
- **Workplace Inspectors?**
- **Advisors?**

Issues Frustrating Resource-Poor PCBUs

- **Sourcing accurate, user-friendly advice.**
- **Optimum SME-specific compliance options.**
- **Competent, specialist training.**
- **Not knowing what you don't know!**

Key Requirements

- **Comprehensive chemical inventory**
- **Compliant SDS and Product Labels**
- **Effective emergency planning**
 - **0800 CHEMCALL®**
- **Independent verification**

C4

✓ **Consistency**

✓ **Certainty**

✓ **Competency**

✓ **Cost-effectiveness**
