WELLINGTON BRANCH

Wellington Branch meets the first Wednesday of each month to network and discuss issues of mutual interest. A special speaker is invited to address members on interesting or topical information or events. The Branch has a wide and varied membership, which includes health and safety professionals and managers, corporate and government representatives, occupational health professionals, and other interested individuals.

WELLINGTON NEWS

Presentation slides from Wellington Branch Luncheon Seminar (20th July)
Changing from Hazard to Risk Management Presentation: Richard Gibson-Pratt
Luncheon Presentation and Supporting Documentation 28 May
Please find the Luncheon presentation and case study examples from Mr Wayne Vermeir - GM High Hazard and Energy Safety. This presentation called 'Modeling Safety' was well received by the audience of over 30 members who attended the Wellington Branch AGM. Some informal advice followed in an advice Q&A session. Please also find the case study 1-1

WELLINGTON EVENTS

Lunch Time presentation Risk Management in the NZ Army
Speaker: Steve Mowbray - Risk Management in the NZ Army. Steve is the founder and managing director of Quality Solutions International Ltd, a safety and risk management company. He is a former Army officer having served with the Royal NZ Engineers. Through his military service and his civilian company, he has extensive experience in 1-1
